## **“IF”**

### **for Grangers**

---

If you can boost your Grange when some are  
knockers,

And still continue with the same old zest;

If you can smile in spite of secret mockers

And make your Grange one of the very best.

If you can try and not be tired of trying

Or being criticized, don't carry spite.

If you can build it up with faith undying

And never falter in your earnest flight;

If you can dream of what a real Grange should be;

If you can think just how to make it grow,

Then your dreams and thoughts together would be  
The incentive that would make it so.

If you can pull and push your grange up higher,

And have the rest desire to do the same;

If you can bring it to perfection nigher,

And everyone all playing this same game;

If you can make your Grange a worthwhile hour,

Doing your part as does the skipper's crew,

You'll be a member clothed with many a power,

And what is more, you'll be a Patron true!

## OUR DECLARATION OF PRINCIPLES

We believe that in essentials there is unity, in non-essentials liberty, and in all things charity.

We affirm that "An honest man is the noblest work of God."

We scorn not to receive instruction from the humblest object that offers us a lesson.

We believe that a man's life consisteth not in the abundance of things he possesseth, but in the right use of God's blessings.

The highest object of our Order is to develop a better and higher manhood and womanhood among ourselves.

United by the strong and faithful tie of Agriculture we mutually resolve to labor for the good of our Order, our Country and Mankind.

## NOTICE TO MEMBERS

If any member of the Dining Room Committee is unable to serve, kindly furnish a substitute or pay twenty-five cents to the Matrons.

The Chairman of each Committee is expected to solicit all food and take full charge of the meal.

## GRANGE CODE

I will be in my place on time.

I will pay my dues promptly.

I will endeavor to attend Grange meetings more regularly.

I will learn to state my motions in the fewest words possible.

I will refrain from criticism.

I will speak to the "Stranger within our gates."

I will refrain from talking during musical selections the same as I would during an address.

I will avoid making motions in the negative.

I will be charitable. Each member has a right to promote measures in which he is interested and to oppose those which he disapproves.

I will vote to uphold my opinion, but when a vote is registered, I will submit graciously to the will of the majority.

I will always speak a good word for my grange and an encouraging word to the Master and the Lecturer.

I will try to make my Grange a better one for my being in it.

A Good Neighbor is a Precious Thing

# A Letter from a New England Mother

---

Mrs. Agnes Quigley, Brighton,  
Mass., writes:

“Dr. True’s Elixir was recently recommended to me by a neighbor. I am thankful that I have discovered this excellent laxative and round worm expeller for the children. It is so mild and gentle in action that they are not upset after taking it. I highly recommend it to mothers.”

Watch your children for round worms in stomach or intestines which may sometimes be detected by: offensive breath, grinding of teeth in sleep, short dry cough, face flushed then pale, starting during sleep, itching of the nose, nausea.

For 88 years mothers have given  
their children
